Mariposa Tours
presents

Spanish Immersion Tour in Chiapas!

Featuring

Carmen Andrews

Experienced Spanish AP Teacher

This is your opportunity to be bilingual!

11-day Trip

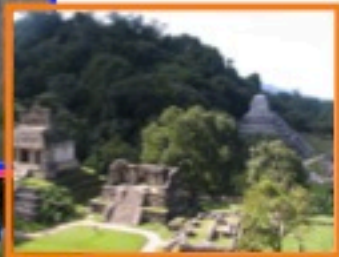

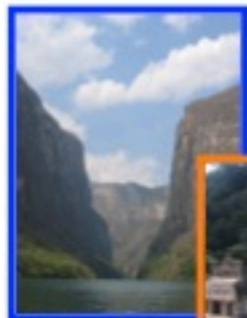

July 23rd–Aug 2nd

Mariposa Tours

Experience the Americas like never before!

*Did you know that...
Chiapas is Mexico's Land
of Natural Wonders?!*

- ✓ You'll see incredible lakes, cenotes & waterfalls!
- ✓ And take a boat ride in Sumidero Canyon
- ✓ Visit Mayan ruins galore! Featuring a special trip to Palenque!

Carmen will guide you through 22 hours of classroom instruction plus contextual lessons as you explore Chiapas' natural wonders and Mayan ruins.

You'll be thanking yourself for finally taking advantage of such an amazing tour combo plus a

teaching method that's not only interactive and really fun, it's also **super effective!**

Carmen brings 18 years of experience teaching Level 1 through Advanced Placement Spanish to high schoolers. For 14 years, she has presented workshops nationally on TPRS as well as specifically using TPRS in the upper levels, including in Advanced-Placement courses. She has taught Spanish to adults for Fluency Fast, co-authored a TPRS book, and was recently chosen to serve on the Foreign Language Professional Development Cadre to present on numerous topics to other teachers in her district. She has also presented locally, regionally and nationally on a variety of Comprehensible Input strategies for classroom language instruction.

And **Yes**, that could be **YOU** joining **Carmen** at a local restaurant in Chiapas putting your new vocabulary to work in a group discussion of the sites and places you've visited during the day. →

www.mariposatours.org

Research shows that you will actually learn and retain more with the "synergy" of a larger class versus individual or small group lessons.

So grab some *amigos* (w/ any level of Spanish) and join us on this adventure that'll make a huge difference in your Spanish & perhaps your life, too!

"You've never had so much fun learning!
Tell ALL your amigos!"
